

Ciroux™

MINI-COLLECTION

The Ciroux™ Mini-Collection brings the fun and excitement of a carnival or festival to your potted plants or fresh cut bouquets.

The festive linear dot pattern draws the eyes up to the plant or flowers and helps showcase their natural beauty.

Our DLS Flip™ Sheets were designed so either side can be used as the primary exposed decorator or flipped over and used as an alluring accent.

Ciroux™ is available in 20" x 20" or 24" x 24" sheets, in five color combinations and available with or without a center "X" cut.
