

There are many possibilities and combinations made possible by the Combi-Tray™. Mix and match colors and varieties to make an appealing retail presentation and special offering.

Use a printed consumer friendly handle with the Combi-Tray™ providing useful consumer oriented information, such as Care Instructions for the plants or planting tips.

The Transparent Clear Combi-Tray™ allows an advertising card with consumer oriented information to be placed easily inside the package that can be viewed by the consumer or scanned at checkout.

Ask your A-ROO sales professional to help you with more information on this exciting new Modiform® Combi-Tray™.
