Bandeau™ Collection, a coordinated design collection of Decorative Bouquet Sleeves™ and e Covers™ featuring an array of horizontal, vertical and diagonal lines creates a banded pattern that is strong and visually engaging. The sharp lines oppose the innate organic forms of the blooms and foliage revealing a pleasing contrast that accents and anchors the bouquet or potted plant.

Bandeau™ Collection Bouquet Sleeves, display a patchwork of bands forming an obscured area through the middle. This area helps conceal stems and foliage and better showcases the flowers. Our proprietary K-cut top opening also lets the bouquet blooms to more attractively fill the top of the sleeve. This enhances the appearance and resale of your fresh cut bouquets!

Bandeau™ Collection is available in six colors: Green, Pink, Pink/Orange, Purple, Red/Blue, and Yellow. The eCovers™ are available in four common sizes: 4", 4.5", 6", and 6.5". The Decorative Bouquet Sleeves are available in three common sizes: 13 x 17 x 4" (MD), 17 x 17 x 4.5" (LG), and 20 x 17 x 5.5" (20). Create a cohesive and coordinated department by combining both packaging products at the same time! Contact your A-ROO Company Representative for more information.
