Another fresh idea and innovation from A-ROO Company using the FloraCup® Three-Pack Classic Plant Carrier and Display package!

FLORACUP®

Make a sensational plant presentation by adding an easy to use custom Advertising Pop-Up Style Insert Card inside a FloraCup® Three-Pack Classic Plant Carrier and Display package.

Use bright and fluid graphics to promote the multiple sales of low-profile growth variety plants such as Violets and Primrose and give consumer oriented information, like care tips. The colorful custom insert card can also include important retail information, like price or UPC barcode.

The pre-printed custom A-ROO Company Advertising Pop-Up Style Insert Card is easy to use, water resistant and provides beautiful graphics to help stimulate sales at retail.

The FloraCup® Three-Pack Classic Plant Carrier and Display package has an easy to use built-in consumer friendly feature of a molded handle, making the selection and carrying of the package much easier.

Contact an A-ROO Company sales professional for assistance on creating an Advertising Pop-Up Insert Card for your plants using a FloraCup® Three-Pack Classic Plant Carrier and Display package, or simply a FloraCup® classic plant carrier.
