

# petal pouch™ HANDLE SLEEVE

**Convenience** *plus*

From **A·ROO** COMPANY

Petal Pouch™ will carry away the hearts of your customers as their favorite new item.

Convenient Petal Pouch™ handles are now available on our in-store consumer use Sealed-Bottom Sleeves for a new Easy, Hassle Free shopping experience.

Petal Pouch™ handles can be added to any sleeve, plain or printed with an open or closed bottom. Larger Petal Pouch™ handle sleeves are also available for planting tray items.

Take one or take a few. Eliminate those awkward moments of juggling packages in order to accommodate your fresh floral items while navigating the store.

- **Carry and Purchase Multiple Floral Department or Garden Center items during one visit.**

- **Drip resistant sealed bags are convenient and safe.**

- **Customize the bottom-sealed bag with your logo or specific choice of designs.**

- **Customers will appreciate the added convenience of the Petal Pouch™ Handle on their sealed bottom floral bags.**

\*The Petal Pouch™ Stand is a great addition to any store or florist shop. This item conveniently dispenses Petal Pouch™ Handle Sleeves to your customers, allowing multiple floral item purchases during one visit.
